

HOW YOU CAN HELP

If you own, rent or plan to build, go outside and look at the electric lines and transformer that provide service to you.

****call ONLY a professional tree trimming service to cut back all vegetation that encroaches the power lines / transformers / poles and guide wires****

Jorge Espinoza - 8311.0104 / Gilberth Juarez - 2682.0626 ; 8836.1614

Alberto - 8827.0382 / or ICE - 2682.0166

Transformer insulator boots protect wildlife from electrocutions on the transformers.

*To purchase these boots,
call the "MIDSUN" rep. in San Jose*

Juan Chacon: juan.chacon@cfscr.com

CFS Sistemas S.A. San Jose: 2296.9061 ext.11

2296.9062 ext.26 or 8892.0266
